TODAY'S TRADING TOPIC:

Emerging Europe's Top Trio: Poland, Greece & Turkey

NICHOLAS VARDY

Editor, *Bull Market Alert*, *The Alpha Investor Letter*, and *The Global Guru*

Tickers: **EPOL** | **GREK**

Focus: **GLOBAL**

U.S. stocks have been the top-performing stock market in the world over the past three and 10 years. Such extremes inevitably "revert to the mean," suggests international expert Nicholas Vardy, editor of *Global Guru*.

I am now more convinced than ever that we are in the early innings of a long overdue bull market in global stock markets.

Investors have long forgotten that between...
