The 35th Annual MoneyShow San Francisco Features Leading Experts in Finance and Technology

Conference spotlights successful strategies, disruptive technologies, and next-level thinking

SARASOTA, FL, July 14, 2016 – MoneyShow, the world’s leading producer of financial tradeshows and cruises, will host **The 35th Annual MoneyShow San Francisco, August 23-25, 2016**, at the **Marriott Marquis**. Admission is free and offers a broad range of experts’ perspectives on the economy and the upcoming Presidential election, and an in-depth look at options, equities, and fixed income. Over 70 renowned investing and trading experts, global economists, market technicians, and media personalities, will be speaking live during the three-day event.

Key features of the conference include an exhibit hall with over 60 financial companies present; over 75 free presentations and panels; and Telecosm, an innovation and technology forum. *“MoneyShow San Francisco presents the nation’s leading investment experts who will share their take on where the markets are headed and how to stay ahead of the curve,”* says chair and CEO Kim Gilther.

Financial expert speakers The MoneyShow San Francisco include:

- **George Gilder**, technologist and *Forbes* contributing editor, presents an overview at Telecosm, a special session highlighting cutting-edge information on breakthrough technologies.
- **Arthur Laffer**, father of supply-side economics, compares current economic policies in place in the United States and the political events that could affect those policies.
- **Stephen Moore**, distinguished visiting fellow, Project for Economic Growth, at The Heritage Foundation, speaks about the political impact on the economy and stocks.

And more than 75 other experts!

The MoneyShow San Francisco sponsors include: TD Ameritrade, Aflac Incorporated, MassRoots, The Shell Group, and VectorVest. (please include logos)
